Minister's Column

March is...

Women's History Month – so to kick off the month I'm finishing out the series on transcendentalists that I began with Thoreau and Emerson last month. I'll be preaching on Margaret Fuller, not only a Unitarian and transcendentalist, but also a famous writer, speaker, and advocate for women's equality. Sharon Pedersen will round out the month by preaching on a famous Universalist woman minister and also a suffragist: Olympia Brown. She's a personal hero of both Sharon and mine.

The Big Read Month – The Jackson community is encouraged to read our "Big Read" book every March for the last few years, and this year is *The Grapes of Wrath*. I'm still finishing it. I've been procrastinating all year. How about you? Time to get it read, because there will be lots of great activities around it this month—at our church, at our forum, and in the community. Obviously, this book about the Great Depression holds a lot of meaning for our community right now, and I'll explore those meanings in a couple of sermons.

The Season for Nonviolence – The Season for Nonviolence continues in March. Also in March we honor the Unitarian Universalist Service Committee's "Justice Sunday" campaign. We'll focus on economic justice, one of the several justice areas of the UUSC.

Canvass Month – Our yearly pledge drive starts in March. We know these are hard times, so we're coming up with a couple of new ideas that might help. Look to the Board's article on page 3 for more information. Our themes this year are "Yes, we can!" and "Change." The two are tied together with using cans to collect our change in order to help the church continue its wonderful programs. We're hoping to continue the positive attitude towards church finances that we've begun in the past, and to recognize that change is necessary—pun intended.

We've got a busy and exciting month. There's always room for more volunteers to help make this possible and more participants in our activities. Come join us!

Blessings,

Religious Education Report

Notes from the Board

Many adults and children have had fun with "Church Friends" this past month. We cap it off on the last Sunday in February with a breakfast where Church Friends are revealed, and a church service where we introduce the Church Friends and let the congregation know about what children have been learning so far this school year. It's one of the "funnest" times of the year for me, and one where I often am amazed at the children's spiritual growth, and my own, even as the kids grow in height, week-to-week, it seems!

March promises to be a busy month, with five Sundays available for lessons. Since the last one in the month kicks off school "Spring Break" we may opt to have a "No RE" day, where all K-12 kids have an alternate activity during worship. We'll keep you posted at announcement time. I'm away the first weekend in March, and our adept teachers Rob, Meredith, Gretchen and Alyce will keep things rollin' that day.

We're waiting to hear from St. John's United Church of Christ on hosting the next Interfaith Youth group meeting. I'll let you know when we have a date.

Thank you for your support!

Yuurs Truuly,

Sharon

Religious Education Coordinator

We Welcome Your Membership Not a member? We'd love to have you join our spiritual community. New members signify their commitment by signing the Membership Book during a scheduled church service. It is understood that members actively support their congregation through attendance, service and financial commitment. To start your process of becoming an official member of our lively, compassionate and challenging congregation, speak with Rev. Cindy Landrum, (517) 529-4221, or a member of the membership committee, including Kathy Haynes, Joan Bernstein Jann Krupa and Carole Hartsuff.

During my tenure on the Board, I've seen several wonderful proposals for the use of our building and grounds. Groups and individuals have spent many hours planning the Memorial Garden's design and guidelines for use. The congregation completed a survey regarding window replacements, and Steve Beison researched the various options and prices. In the meantime, there's been an ongoing discussion about the Capital Campaign funds and the importance of using them as they were intended (creating a larger sanctuary).

Each time the board has considered one of these plans, however, we have found it may be in direct competition with building a new space. We have had concerns that the Memorial Garden will restrict our options for adding space to the existing structure. We also have apprehension about replacing windows and possibly using Capital Campaign funds if we intend to use the space less frequently. Lastly, we struggle with the fact that our church has not yet identified a reasonable plan for building a larger sanctuary. As a congregation, we put a lot of effort into planning for a very large addition and canvassing our members for sizeable donations. Since that plan was determined to be beyond our reach, our membership has evolved yet our planning has remained stagnant.

If any of my statements make you angry, hopeful, excited, annoyed, or resentful, then you need to stay after church on Sunday, March 1st. The Board will respectfully solicit the ideas and opinions of our members and friends, and invite you to participate in a discussion about the long-term use and planning of our building and grounds. No votes will be taken that day but we may begin to form a committee for the purpose of long-range planning. Please consider if you'd be interested in making any time commitment to this planning process. Our ancestors in faith made many sacrifices

to build us a glorious space for worship. We need a variety of ideas and expertise to develop a well-rounded, well-considered plan that will fulfill the dreams of our future generations.

Ministerial Sabbatical

Sabbaticals have been standard practice in the UU ministry among ministers serving churches full time. A sabbatical is a very old concept that relates to a period of rest or change. Its root is in the word *Sabbath*, the biblical term referring to the day of rest after six days of work. The Rev. Cindy's Letter of Agreement with the UUCEL states that she will have a sabbatical after five but before eight years of service. Her tentative plan is to take a sabbatical for six months after her sixth year. That would be the 2009-2010 church year. She would use this time for study, education, writing, meditation, and other forms of professional and religious growth. To that end the Board of Trustees has begun to sequester funds to cover costs for the sabbatical, and Cindy, with the permission of the Board, has created a Sabbatical Committee. Members are Steve Beison, Ann Green, Carole Hartsuff, and Victor Marshall.

This committee explains the sabbatical concept to the congregation; arranges coverage during the sabbatical time; keeps the profile of the sabbatical in the forefront of the congregation, and eases Cindy's transition back into the congregation. The committee will keep the congregation informed in a variety of ways every month this year. Questions you may have should be directed to committee members. Help us think about how to make this a fruitful experience for both the Rev. Cindy and the congregation.

First Friday Dinner — Fast Food Dinner to Go

This last minute fill-in idea of hostess for the March's first Friday dinner came up at the Membership Committee meeting (a committee that wears many hats, feel free to join us 2nd Thursday of the month.) The scheduled hostess for March was Carole Hartsuff, she stepped up to help Alyce Oosting with the February's first Friday dinner after Jane Volk was unable due to illness. So the plan is "Fast Food Dinner to Go" Yes, our ladies do cook, but many also are full time employed outside of their kitchens and a few said jokingly let's do the women that do not cook / fast food dinner as the men did the "Men who Cook" dinner a few months back. So here it is; on **Friday, March 6th** at 6:30 pm bring a food item from a fast food restaurant that you buy, and others will pay a donation to the church to eat it. Hosted by Lynn Hightower one of the "Women that do not Cook." There is a sign up sheet posted in the Social Hall, please list the food items you are bringing and number planning to attend.

Church Cook-off

April's First Friday dinner is a cook-off! Is your favorite fish dish fabulous? Is your pumpkin pie perfection? Now is your chance to prove it! We will have a number of categories to enter in, or suggest your own. As long as there is competition for a category, the sky is the limit. There will be a sign-up sheet available in the social hall, see Chris Keith or email her to enter. The night of the dinner **Friday, April 3rd**, starting at 6:30 pm, diners will have a chance to vote for their favorite dishes with their pocketbooks. Each dish will have a jar next to it to put donations to indicate that is the preferred dish. The winner of each category will be the one with the most money in its jar and will be announced during the following Sunday's service and in the May Bellnote. The winners will also get a certificate proclaiming they have the best dishes in the church!

Katrina Relief Service Trip To New Orleans

Saturday July 11-Sunday July 19 Heartland Congregations! Come join a work project in New Orleans this summer. We can make a difference! Our plan is to leave on Saturday, spend the night in Tuscaloosa, visit their service in the morning and continue on to First Church in New Orleans. Once in New Orleans we will sleep on cots in gender separated dorm rooms and share cooking and clean up responsibilities. Work days will be Monday through Friday with plenty of time to view the city and opportunities to explore New Orleans culture, perhaps, at a minimum, a stroll through the French Quarter. **Cost** of the trip for UUs is \$20.00 per night per person in New Orleans plus food, travel expenses and discretionary monies. Older youth (15 +) are invited, but small children are not well accom-modated. One group is leaving from Evansville. Others may join us there or en route. Another option for those farther away might be to fly and meet us at First Church. Preliminary information can be found on the UUCE website: www.uuevansville.org. More information will be forwarded once our group is intact. Individuals and groups must reserve their space by April 10th so that New Orleans can plan for us. To be included in the count, please forward names and contact information to Rev Deane Oliva, Unitarian Universalist Church of Evansville by email, cogenisys@aol.com by April 10.
